

Gunner Vine Fund

Gunner Vine, the 6-year-old son of Mount Pleasant Police Lieutenant Rob Vine, was found this week (March 31) to have contracted Lymphoma, a fast growing and dangerous form of cancer. Gunner is currently in Children's Hospital in Dallas undergoing treatment. A fund has been set up at **American National Bank**, 301 S. Madison Ave., Mount Pleasant, for cash donations to assist the Vine family with the many expenses not covered by insurance. The fund is in the name of **Gunner Vine**.

If you wish to donate cash to this fund, please contact the bank and tell them you would like to contribute to the Gunner Vine Fund. Contributions are appreciated.

There is also a website with information about Gunner's progress in his fight against this terrible disease. Please check the website at:
<http://www.caringbridge.org/visit/gunnervine>

Most of all, the Vine family would appreciate your prayers and thank all of you for your continued concerns and prayers.
